Col. Nugent

Director of Education

Assistant relative to the Execution of IFEL

The Japanese Government earnestly desires to continue  
the work of the Institute for Educational Leadership, but  
financially it is essential to secure the budget for its  
operational requisites. We sincerely make request for your help and support  
in this regard.

To: Lt. Col. Nugent  
From: Minister of Education  
Subject: Request relative to Inviting American Professors  
to Universities

It is not only the universities concerned but also the Government that hope to have American professors in the universities. I hereby beg your kind cooperation for the materialization of this plan.
